

Lap Blanket

Sewing Supplies

Fake fur, 47 1/4" x 31 5/8" (120 x 80 cm)

Flannel measuring 64" x 47 1/4" (160 x 120 cm)

Sewing thread in a color to match the flannel and the decorative band

169" (4.30 m) decorative trim (optional)

CUT

Cut the pieces in fake fur and flannel according to the measurements above.

SEW

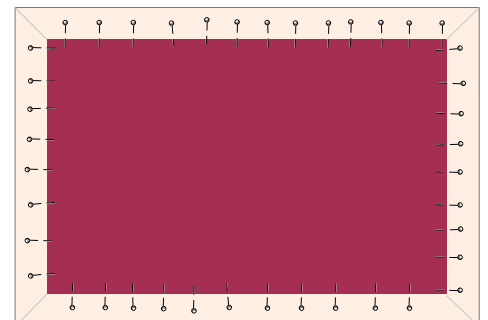

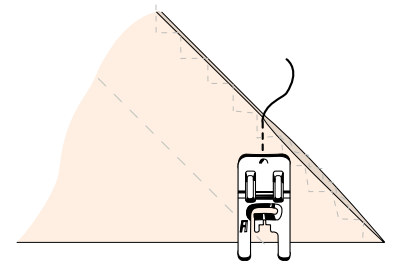

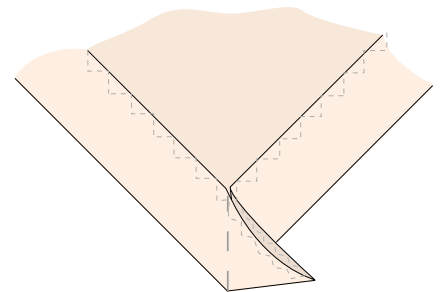

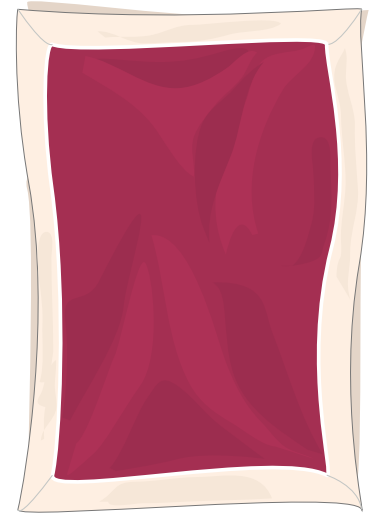

Set your Husqvarna Viking Sewing machine for three-step zigzag. Snap on presser foot J and overcast the flannel edges.

To create the border around the fake fur, place the flannel fabric on a flat surface, right side up. Snap on presserfoot A. Select straight stitch, stitch length 3.0. Sew a mitered corner by folding the edges 4" (10 cm) to the right side. Pin and mark a 45 degree angle.

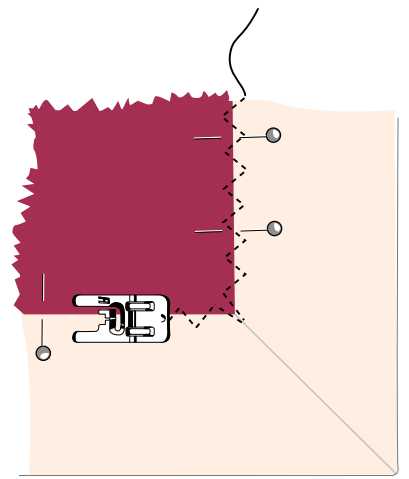

Sew the corner diagonally on the marked line with straight stitch. Repeat for all four corners.

Trim excess fabric to 1/4" (6 mm). Press seam allowances flat. Turn the corners right side out and press.

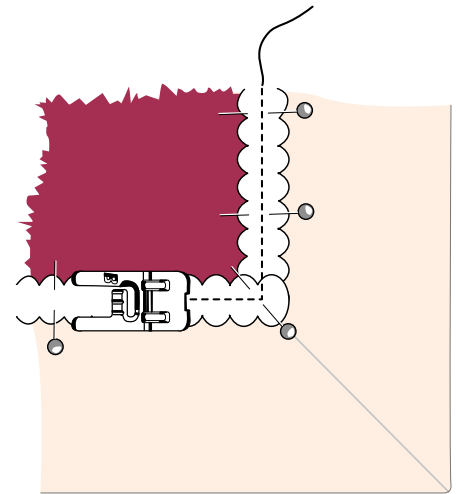

Place the flannel fabric on a flat surface, wrong side up. Center the fake fur on the flannel fabric, right side up. Place the fake fur under the flannel edges. Press all sides so the border around the fake fur measures 4" (10 cm) all the way around. Pin the fake fur to the flannel.

Select three-step zigzag and sew the flannel edge to the fake fur.

Set your Husqvarna Viking sewing machine for straight stitch, stitch length 3.5. Snap on presser foot B. Sew the decorative trim onto the Lap Blanket over the raw edge.
