Three Dimensional Embroidery Ottoman and Corsage

EMBROIDERY CLUB #81

Designed by Marie Duncan

Three dimensional embroidery is such fun! Just stitch the designs out on organza and cut them out! The ottoman will be a certain attention getter in any room! It is both elegant, and funky! Choose your favorite colors and have fun! Make the corsage for all your friends, and they will think of you every time they wear it! The same flowers are great for embellishing any garment as well, so you will use these designs many times.
